

**FESTIVAL COMMITTEE MEETING
JUNE 13, 2011 – MONDAY
4:00 P.M. – TOWN HALL**

MINUTES

Present: Randy Mendenhall, Daren Ziglar, Doc Davis, Steve Amos, Scott Snow, Tom Lane, Sarah Welch, Deborah Garland

Sponsorship Information:

Daren Ziglar has the list of local businesses from Lynn and next meeting we will split up the list and start the Fund Raiser Project. He is still checking on prices to get the sponsor boards made and hopes to get this donated with that business on the Gold board.

Bands:

Daren Ziglar stated that all bands except one are confirmed with some contracts returned. The stage is confirmed and next month should know about the band in question.

Miscellaneous:

- Mayor Davis has not made contact yet with the D.O.T. individual about closing Sullivantown Road.

- Scott Snow will get Fall Festival account opened at Newbridge.

- Suggested having one lane of traffic for people to get to the mill.

- Plans are to put stage at end of Sullivantown Road (if able to close the street) and put the children's bouncy things on the parking lot at the fitness center. Randy Mendenhall will check on ability to tie down those objects in that parking lot.

-Suggestion was made to contact some local craftsmen to show their skills. There could be an area just for these booths with no charge to the person and they could sell any of their crafts. Tom Lane will ask a blacksmith and chainsaw carver that he knows and he'll do his cider mill. Randy Mendenhall will talk with Mr. Morris about his Alpaca wool and spinning. Everyone will try to think of others to ask.

-Discussed possible chili cook-off but probably need to research this for the next year. Randy Mendenhall suggested that a corn hole contest might be possible this year.

-Discussed signs and banners. Steve Amos will provide two portable signs and suggested putting one at Hardee's and the second at the park facing 158.

Items to address at July meeting:

- check electricity for stage
- work on getting crafters
- split up business list and start Fund Raiser
- get information to TV stations, Relish and possible Facebook

Next meeting will be July 11th 2011

Meeting adjourned at 4:45 pm
