

DO YOU LIVE IN OR AROUND WALKERTOWN?

HOW DO WE GROW FROM HERE?

Come help us decide at the Walkertown Community Workshop

The Walkertown Land Use Committee with the assistance of staff from the City-County Planning Board has begun work preparing a land use plan to guide future growth and development in the greater Walkertown area. Please join us June 10th at a community workshop to help identify ways to improve your neighborhood and your community in the future. We value your ideas!
