Subject: Land Use

Hi everyone:

Just wanted to bring you all up to date on Land Use.

Marylin Moniquette-John had a minor setback with her knee problems and she has just today come back to work. She will be working hard to get back on track and we will get back to land use as soon as she is able to. I will advise you when we can proceed. In the meantime, if you have questions, feel free to contact me and I will get you an answer!

Happy Spring!

Lynn
