

Please NOTE!!!

Good news for the Land Use Committee!!!!

I have in my office for each Land Use Committee Member, a copy of the Draft Walkertown Area Plan that we have been working so hard on for the last year or so!! If you can come by during the day and pick it up before the meeting on June 16th, you will have time to review it.

If you cannot get by during the day, give me a call and I will leave it outside at the deposit "hole" for you to pick up during the evening. Or I can mail it to you – just let me know. But please arrange to get your copy a.s.a.p.

Also, mark your calendar for the Land Use Committee Meeting on **June 16th** and remember that it will start at **6:30 p.m.** at the **Library!!!** I have attached a copy of the Agenda.

For those of you who are on my Land Use email list but are not a committee member, I only have a certain amount of copies – and these are DRAFT copies which are mainly for the committee. I will keep one in my office if you would like to review it.

Thanks and see you at the meeting!!!
