Dear Mr. Couch,

The Town of Walkertown has received requests for traffic studies within our boundaries. The first request comes from John Dillon who asked that Darrow Road be closed to truck traffic. Mr. Dillon is concerned that speeding through truck traffic is damaging Darrow Road and creating an unsafe roadway.

The second request has come in public meetings from E.A. Jumper and other citizens to install a left turn arrow stop light in the Southbound Left Turn Lane of Highway 66 at Main Street. This lane is used frequently by school buses and parents taking children to Walkertown Elementary School and Walkertown Middle School.

Please study the following two requests and advise the Town of Walkertown if these requests can be accomplished.

Thank you,

Toby Linville, Town Manager
